Yes, as stated on the Addendum, the contract was extended to end of 2019. The corporation later exercised their right to end the contract, and upon delivering sufficient notice, the corporation changed management providers.

Subject: FW: request for records

Good afternoon Mr. Siudak,

We were contacted by Paul Casuccio of PMC York Properties Inc., who advised that you had submitted a Record Request for a copy of the Management Agreement between our management company and Wentworth Condominium Corporation No. 171. A copy of this agreement was given to the Board of Directors when it was signed, however copies are not generally provided to other management companies, which is why Paul reached out to us on this matter.

Attached please find a copy of the management agreement. The full original agreement is first, and the one page addendum extending the agreement from 2015 through 2019, is the last page.

Thank you.
